Brother Bear 2 BackPack Tag

Step 1:
Print this page out on your printer.

Step 2:
Fill out all information.

Step 3:
WARNING: DO NOT USE SCISSORS WITHOUT ADULT SUPERVISION. Find an adult to help you.

Cut both sides of the backpack tag out of this page by following the dashed lines next to the ✂ icon.

Step 4:
Carefully cut the center hole along the dashed line.

Step 5:
Place both sides of the tag back to back and use a home laminator to seal both sides together. Or, cut a piece of cardboard the same size and shape as the tags. Glue both sides to cardboard and cover with clear packing tape.

Step 6:
Insert string through hole and tie to hole in zipper pull.
